“ Many thanks for everyone's hard work and making our wedding day so special. We had many compliments relating to the room layout with the round tables and how fantastic it looked. Also, could you pass on thanks to your chef, again with many compliments about the quality of the food. Once again thank you to one and all. ”

We promise to make your reception a memorable occasion, with a dedicated personal service from your first meeting with our Wedding Specialist, through to the friendly and professional services of your function manager and operational team on the day itself.

“ I recently got married & I have to say it was the best experience ever. The staff involved were amazing, I couldn't have wished for a better day, they couldn't have been more accommodating, so kind and friendly, they really put me at ease. We had a cake made by the pastry chef, it was stunning, even better than the picture I asked him to copy. All the guests commented on how fantastic it was and how nice the food was. I would like to say a massive thank you to everyone involved on our very, very special day. ”
